

Carol Hribar

Carol Hribar has been a volunteer with the Westerville Police Department's Citizen's Police Academy since graduating from its first class in 1999. She helped establish the Westerville Citizen Police Academy Alumni Association January, 2000 and held the Treasurer position for the first two years and then became the President for the next two years.

Carol is also a Certified Car Seat Technician and has also earned certification in several Citizen Corps training programs. These programs enable citizens to take a more active role in personal and public safety, including Terrorism Awareness and Prevention (TAP) training and Community Emergency Response Team (CERT) training and Ohio Hazmat & WMD Awareness for the First Responder training. This training provided her the opportunity to be a guest on a government broadcast program from the statehouse to discuss the volunteer opportunities for the elderly with the Director of the State of Ohio Department of Aging. September 1, 2004 President Bush recognized Carol for her volunteerism. She was the USA Freedom Corp greeter at which she welcomed President Bush to Columbus Ohio when he stepped off Air Force One. She had a one on one conversation with the President and then was in his motorcade to the Nationwide Arena to listen to him speak. She is now the Volunteer Liaison for the Citizen Police Academy.

Carol has a Bachelor of Arts degree majoring in Accounting and Finance from Otterbein College and a Masters of Science in Administration degree from Central Michigan University. She is married and has one daughter.
